<https://www.linkedin.com/in/abhijitdeb1/> | Website - abhideb.co | Work Permit: Germany

PROFESSIONAL SUMMARY

Creative Producer with 10+ years of experience steering production slates across premier media networks and streaming platforms. Proven track record of managing large budgets, leading production teams, and executing end-to-end lifecycles for film, web series, and original digital IP. Specialist in format ideation, content development, production management and post-production workflows. Completed MBA from Mannheim Business School, Germany.

WORK EXPERIENCE

Consultant - Business Masters Project

Jun 2026 - Aug 2026, Germany

[Nestlé, Product Technology Centre, Germany](#)

- Designed and executed a reusable business-case framework for carbon-removal initiatives across three international markets (India, Malaysia, Nigeria).
- Delivered research, stakeholder analysis, and decision-ready implementation business cases.

Creative Director | Head of Growth

Dec 2023 - Aug 2024, India

[Feed The Wolf Media \(Leading film promotions agency\),](#)

- Developed strategic B2B partnerships with Saregama and Viacom18, contributing to an 8% increase in revenue through film-promotion campaigns.
- Led post-production for promotion assets for 10+ media clients, including Netflix, Amazon and Disney+, improving delivery efficiency by 20% through redesigned workflows.
- Built and mentored a team of 10 producers and editors on promotion campaigns for Amazon, maintaining strict compliance with content and technical guidelines.

Creative Producer

Apr 2021 – Nov 2023, India

[Saregama India Ltd. \(India's largest music IP catalogue, Rev: EUR 1 billion\)](#)

- Managed end-to-end film and web-series portfolios with aggregate project budgets of approximately EUR 3.5 million for leading streaming platforms, including Netflix and ZEE5.
- Owned the development and execution of marketing and promotional assets from briefing through final delivery
- Directed external creative, design, and video-production partners.

Creative Director

Nov 2018 - Oct 2020, India

[Jio Studios \(Leading film studio, Rev: EUR 3.6 billion\)](#)

- Led creative development and production across the film and web-series slate, delivering 25+ creative concepts aligned with content strategy.
- Directed a 10-member internal and external creative ecosystem, balancing creative excellence with production budgets, contracts, scheduling, and operational delivery.
- Created a new format '60 Min Films', building a scalable pipeline across thriller, biography, slice-of-life, and drama genres.

Creative Producer

Oct 2017 - Nov 2018, India

[ZEE5 \(Major OTT Platform, Rev: EUR 135M\)](#)

- Founding member, contributing to content, marketing, and promotional initiatives, supporting growth to 3 million subscribers within three months of launch.
- Led project development and execution for original content, from initial concept through launch and promotion campaigns.
- Negotiated vendor and agency bids, managed production budgets, delivery schedules and partner performance across multiple projects.
- Coordinated with legal, commercial, creative, and agency stakeholders to ensure productions met scope, approval, compliance, and delivery requirements.

Associate Creative Director

Feb 2015 - Sep 2017, India

Culture Machine Media, (Pioneer Digital Network)

- Directed and produced fiction and non-fiction content for an owned and operated Youtube channel helping build audience reach to 2.9 million subscribers and garnering more than 20 million views.
- Led a brand-communication redesign that increased channel subscriptions by 15% within six months.
- Produced high-volume digital content across advertising films, documentaries, vox-pop videos, and short films.
- Managed projects from ideation and scripting through shoot, post-production, publishing, and campaign support.

Founder, Account Manager

Apr 2012 - Feb 2015, India

Independent Production House, DVIO Digital

- Founded and operated an independent production business, leading client acquisition, project scoping, budgeting, scheduling, production, and final delivery.
- Directed and produced short-form branded and entertainment content, including sketches, music videos, and advertising films.
- Managed the complete content-production lifecycle, translating client objectives into concepts, production plans, creative execution, and deliverables.
- Delivered digital-marketing and web-management projects incorporating SEO, SEA, e-commerce integration, and social-media campaign execution.
